Saw that. And did you see where Neil Gorsuch has been nominated to the 10th Circuit? Not sure if you know him, but pretty darn impressive.

Mark,

Seems Reg Brown made the post again, but in a non-criminal case. See the "Special Interests" section of the Fed Page.

Bush Nominates Gorsuch For 10th U.S. Circuit Court

President Bush Wednesday nominated a former Supreme Court law clerk from Colorado to fill a vacancy on the 10th U.S. Circuit Court of Appeals, based in Denver.

Neil Gorsuch was a clerk to the late Justice Byron White and to Justice Anthony Kennedy and then spent a decade in private practice before joining the Justice Department last year. He would fill the vacancy left when Judge Dave Ebel stepped down to work part-time for the court.

The 10th Circuit reviews cases from Colorado, Oklahoma, New Mexico, Wyoming, Utah and Kansas.

Gorsuch, a native of Denver, is a Harvard Law School graduate. His deceased mother, Anne McGill Gorsuch Burford, also was a lawyer who spent two controversy-filled years as EPA administrator serving under President Reagan.

REPORT TO THE CABINET
FOR THE WEEK BEGINNING WITH MAY 8, 2006

PRESIDENTIAL REMARKS

President's Radio Address (May 6, 2006)

Good morning. Today I want to talk with you about the new Medicare prescription drug coverage that went into effect at the start of this year. Everyone on Medicare is eligible for this new coverage, but the enrollment deadline of May 15th is just over a week away. For those of you with Medicare who have not yet signed up, it is important for you to review your options and choose a plan. By enrolling before the deadline, you can ensure the lowest possible premiums and start saving on your prescription drug bills. [Click Here for Complete Text](#)

Members of the Oklahoma State faculty and administration; Governor; people in the Statehouse; members of the United States Congress; distinguished guests; parents, friends, family, and most important, the Class of 2006, thanks for the warm welcome to this great state, and to this fine campus. I'm honored to be here. [Click Here for Complete Text](#)

President Nominates General Michael Hayden as Director of the Central Intelligence Agency (May 8, 2006)

Good morning. Today I'm pleased to nominate General Mike Hayden as the next Director of the Central Intelligence Agency. Mike Hayden is supremely qualified for this position. I've come to know him well as our nation's first Deputy Director of National Intelligence. In that position, he's worked closely with our Director of National Intelligence, John Negroponte, to reform America's intelligence capabilities to meet the threats of a new century. President Discusses Peace Agreement in Sudan (May 8, 2006)

I want to thank Secretary of State Condoleezza Rice for joining me, and I also want to thank Deputy Secretary of State Bob Zoellick. He has just briefed me on his trip to Abuja, where he has played a very important role in setting up a peace agreement between the government of Sudan and a major rebel group in the Darfur region. Congratulations on a job well done, Bob. Thank you. Last week we saw the beginnings of hope for the people of Darfur. [Click Here for Complete Text](#)

President Bush and Governor Bush Visit Fire Station in Florida (May 9, 2006)

Jeb and I just were briefed by the firefighters here about the dry conditions that are creating hazards for the people, and Kelley, I appreciate your briefing. He was in charge of putting out that fire yesterday that consumed 450 acres. They think it was caused by a spark out of one of the

utility lines. I've always been impressed by those who are willing to get out and fight the fires, and save lives and save property. I'm surrounded by people who made a career out of that. And I want to thank them for their dedication to service, I want to thank them for the briefing about the threat we find ourselves in, we've got dry and windy conditions. President Bush Discusses Medicare Prescription Drug Benefit (May 9, 2006)

What I thought I would do is spend a little time talking about the new Medicare program. The reason I'm doing this, because I want people to sign up. And then I'll answer some questions if you have some. And then I'm going to go to Orlando and do the same thing tomorrow morning -- just like I did earlier in South Florida. And the reason why I'm doing this is because we have changed Medicare for the better, but sometimes change creates anxieties. In other words, people say, well, maybe I don't want to change. I kind of like it the way things are, but we have a duty to educate people and give them a chance to see what's available. And that's what I'm doing. That's what you want your President to do. We just visited with some of our citizens inside there, and they're talking about significant savings. And that's what we want, we want our seniors to be able to have modern medicine. So far a lot of seniors have signed up. It's coming down the stretch toward the May 15th deadline; we want everybody to sign up. We want people to understand that they're going to save a lot of money when it comes to prescription drugs. [Click Here for Complete Text](#)

PRESIDENTIAL STATEMENTS

President Disappointed in Senate Failure to Pass Real Medical Liability Reform (May 8, 2006)

I am disappointed that the Senate has yet again failed to pass real medical liability reform legislation. Unwilling to take on their trial lawyer supporters, the Democrats led this effort to block these much-needed reforms. Junk lawsuits are driving too many good doctors out of medicine. Women in nearly 1,500 counties are without a single OB-GYN, and frivolous and abusive lawsuits are encouraging the use of defensive medicine, which imposes substantial and unnecessary costs on all Americans. This is a national problem that deserves a national solution. I have called on Congress to pass responsible medical liability reforms, and the House of Representatives has acted. It is time for the Senate to put the needs of the American people ahead of the interests of trial lawyers and pass meaningful medical liability reform legislation.

President Urges Senate to Pass Tax Cut Legislation (May 10, 2006)

The tax cuts we passed in recent years are working to fuel America's economic expansion. Our pro-growth policies have helped the economy create more than 5.2 million jobs since August of 2003, and last year our economy grew faster than that of any other major industrialized nation. By extending key Capital Gains and Dividends tax relief, the House has taken an important step to continue to help hard-working Americans and to keep our economy strong and growing. I appreciate the House Leadership and Chairman Bill Thomas for their hard work. I urge the Senate to vote swiftly so that I can sign this bill into law and put a stop to a massive tax hike that would be disastrous for small businesses, our economy, and all working Americans.

President Applauds Senate for Passing Tax Relief Legislation (May 11, 2006)

I applaud the Senate for passing important tax relief that will help keep our economy strong and growing. This legislation prevents an enormous tax hike that the American people do not want and would not welcome. The bill will extend policies that have helped our economy flourish. We have had 18 straight quarters of growth, including 4.8 percent growth in the last quarter, and the unemployment rate is 4.7 percent. I appreciate the Senate Leadership and Chairman Grassley for their hard work on behalf of American taxpayers and small businesses, and I look forward to signing this important legislation into law.

President and Mrs. Bush Saddened by Death of Sonny Montgomery (May 12, 2006)

Laura and I and the entire Bush family are saddened by the death of a good friend and patriot, Sonny Montgomery. Sonny Montgomery served during World War II and the Korean War, and he was a tireless advocate for America's veterans throughout his three decades in the House of Representatives. He sponsored the Montgomery GI Bill, which has helped make higher education and professional training accessible to millions of our veterans. In 2005, he was awarded the Presidential Medal of Freedom, the Nation's highest civil award, in recognition of his lifetime of service to the United States. We send our condolences and prayers to the Montgomery family.
