#### **Scope and Content**

The materials in FOIA 2018-0031-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2018-0031-F requested two menus from State Dinners attended by President George W. Bush in Bangkok, Thailand in 2003 and 2008.

This FOIA contains a transfer sheet for a menu from an October 19, 2003 State Dinner attended by President George W. Bush, Laura Bush, King Bhumibol Adulyadej, and Queen Sirikit. The menu has been transferred to the artifact collection for preservation.

**System of Arrangement**

The materials in FOIA 2018-0031-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Staff Member Office Files.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of documents and folders processed in response to FOIA 2018-0031-F:
