Washington, D.C. 20500

Dear Mr. President:

I am writing on behalf of the Lakeshore Foundation of Birmingham, Alabama, which provides individuals with physical disabilities opportunities to live fulfilling and rewarding lives and to improve their quality of life.

One of the services that the Lakeshore Foundation provides is an outstanding athletic program. Last season alone, the athletes won four national championships in three different sports. This success has made Lakeshore one of the most nationally respected athletic programs of its kind. Their accomplishments have given a new hope to disabled citizens in Alabama.

The Lakeshore Foundation has requested that you recongnize these forty-even athletes and coaches with a commemorative ceremony at the White House. I believe this would be a wonderful opportunity for these young athletes to be commended for their outstanding accomplishments, and I encourage you to give their request every consideration. Enclosed, please find all pertinent information.

Thank you in advance for your time and attention to this matter.

Sincerely,

Richard Shelby

Dear Senator Shelby:

It is with professional respect and personal pride that I ask for your time and consideration of this letter of request for forty-seven athletes and coaches, from the great State of Alabama, to visit the President of the United States of America at the White House at a commemorative ceremony.

In the competitive and growing world of disabled sport, athlete's representing the Lakeshore Foundation, based in Birmingham, Alabama, had what can only be called a "dream" season (four National Championships in three different sports).

- (1) Lakeshore Foundation's Marksmanship Team won it's second consecutive NRA/Beeman Grand Prix Tour overall team national championship on September 2, 2000.
- (2) The Lakeshore Lakers capped a 20-2 season with a 48-45 win over the Kentwood (Michigan) Pacers to win the National Junior Wheelchair Basketball National Championship held at Oklahoma State University in Stillwater, Oklahoma on March 18, 2001.
- (3) The Lakeshore Demolition defeated the Casa Colina (California) Buccaneers 51-38 to win their third consecutive United States Wheelchair Rugby National Championship on April 8, 2001. During the past three years, the Demolition has established itself as a dynasty by compiling a 122-10 overall record.
- (4) After 27 years of existence, the Lakeshore Storm finished a 27-4 campaign with their first National Wheelchair Basketball Association Championship, a 60-47 win over the Southwest State (Minnesota) Mustangs on April 14, 2001.

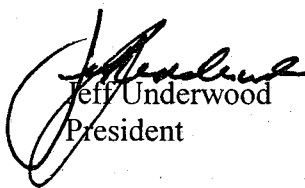

May 15, 2001

Page 2

These hard fought victories will always be cherished but the ultimate lifetime honor as an athlete is to commemorate their accomplishment through national recognition by the President of the United States at a ceremony at the White House. The nation will be able to celebrate these accomplishments and learn about the opportunities afforded to individuals with physical disabilities living in Alabama. A more progressive, innovative program than Lakeshore Foundation's will be hard to find anywhere in the United States or worldwide.

Thank you for your consideration of this matter, and if I can be of further assistance, please do not hesitate to call at (205) 868-2303.

Sincerely,

Jeff Underwood

Dear Mr. President,

I recently returned from a trip to Central Asia and the South Caucasus. I visited with President Nazarbayev of Kazakhstan, with President Akayev of Kyrgyzstan and President Shevardnadze of Georgia.

The United States has an extraordinary opportunity to expand our influence in this most critical region of the world. I urge you to invite as soon as possible President Shevardnadze from Georgia and President Nazarbayev from Kazakhstan on an official visit.

President Shevardnadze has an incredible and unique view of the world. He was instrumental in the fall of the Soviet Union and now sees US influence in Central Asia and the South Caucasus is on the decline. He has great insight as to what the United States needs to be doing in the region.

President Nazarbayev of Kazkhstan would like to be closely allied with the United States and Russia. Given his location and resources he has the potential to do just that. His country could be like a Jordan to us in Central Asia ... a close ally that is closely allied with others in that area.

I love the foreign policy you are conducting. We are clearly putting forward US interests. I can think of few regions in the world where we have a greater opportunity to influence the shape of things to come more than in Central Asia and the Caucasus. It is clearly in the United States interest to do this.

Thank you for your consideration of this matter.

Sincerely,
