THE PRESIDENT HAS SEEN

Mr. President:

It was a great honor and pleasure to meet with you last week at the White House. Thank you so very much for taking the time to brief us on matters of concern to us, as Americans, and as representatives of the American Jewish community. It was clear to all who listened to you that your commitment to the safety and security of the State of Israel remains strong and that you are dedicated to working with us to preserve the constitutional safeguards that have come to define this great nation. I thank you for your support and once again pledge to help you – in whatever way I can – to further these ideals.

I look forward to the next opportunity to see you.

Best regards,

Sincerely,

Abraham H. Foxman  
National Director
