Dear Mr. President,

The 2008 Beijing Olympics have now concluded, and our team has returned home, safe and sound. As Chef de Mission, I could not be more proud of the conduct of our team, both on and off the fields of play. Our athletes performed brilliantly and brought great pride to all of us. It was truly a memorable Olympics. I feel very fortunate to have been part of it.

I want to thank you personally for your tremendous support of our team. It was not simply the authority of your position that so inspired our athletes. More significant were the wonderful sincerity and warmth you demonstrated at all times, including meeting with the team before the Opening Ceremony. Your kindness and thoughtfulness, as well as that of your family members, will forever be a part of their Olympic experience.

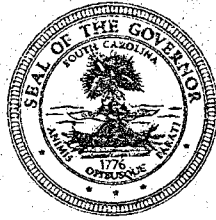

Finally, as Chef de Mission, I was fortunate to spend some time with your father, our Honorary Chef. He was extraordinarily kind to our athletes, and to me as well, and his presence and encouragement were major highlights for all of us. His kindness and generosity were awe-inspiring and universally appreciated.

Thanks again for everything. I wish you the best for the future.

Sincerely,

Judge Charles C. Lee

Thank you very much for your handwritten note from Air Force One regarding Team Bush's visit to Beijing and the Olympics. The pleasure was definitely Sarah's and mine. I can loan her to you to cheer at future sporting events! To be part of your visit to the Olympics was the highlight of our tour here.

My thanks also to you and your Dad for dedicating our fabulous new Embassy complex. Moreover, thank you for having the faith and confidence in me to give me this wonderful opportunity to serve. I still pinch myself every morning to rediscover that I really do have the job of my dreams.

We hope you received our Football Jersey delivered on Monday, September 8th by Natalie Hart of our staff here at Virginia Tech who attended the Remarks on Volunteerism event on the South Lawn.

The Hokie game jersey represents our appreciation for your coming to Blacksburg in April of 2007 in conjunction with the tragedy on our campus. Your leadership certainly assisted the Hokie Nation in a most difficult time.

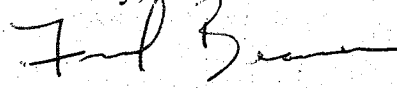

We would like to invite you back to our campus next fall for a home football game since you are an avid sports fan. This would allow the Hokie Nation to pay tribute to you and we would like for you to address our team pre-game.

Thank you for the leadership and mental toughness you have exhibited as our President.

Dear Congressman Bilbray,

My husband, Gerald Parsky, and I are very unhappy that you did not stand by President Bush, The Secretary of the Treasury, The Chairman of the Federal Reserve Bank, Senator John McCain and others in leadership positions in support of the Emergency Economic Stabilization Act.

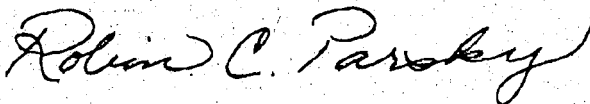

You have now put the economy of our great country in the worst ever peril.

We would like to know from whom you sought advice in your district, our district, and how you came to the conclusion to vote as you did.

Please respond as soon as possible and explain why you voted "no" on the Emergency Economic Stabilization Act. We also would like to know if you plan to stay in Washington and "fix this problem" as Senator McCain has suggested.

We do not plan to attend your fundraiser here unless you answer our questions satisfactorily and change your vote.

Sincerely,

Robin C. Parsky
