Scope and Content

The materials in FOIA 2016-0184-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2016-0184-F requested materials related to Tony Snow Staff Member Office Files related to media/press relations, communications strategies, and public aspects of the presidency.

This FOIA primarily contains fact sheets, a briefing paper, and a seating chart. There are fact sheets related to immigration reform, health care, stem cells, and corporate average fuel economy (CAFE). Also present is a briefing paper regarding the James S. Brady Press Briefing Room, along with a seating chart.

System of Arrangement

The materials in FOIA 2016-0184-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Staff Member Office Files.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.
