Scope and Content

The materials in FOIA 2014-0515-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2014-0515-F contains materials related to a November 2006 memorandum written by Assistant to the President for National Security Affairs, Steven J. Hadley, and his staff on conditions Mr. Hadley found in Iraq during his visit in October 2006.

This FOIA primarily contains cover sheets, a menu card from an October 30, 2006 dinner hosted by Ambassador Zalmay Khalilzad, and a map of Provincial Reconstruction Team locations in

October 2006. As executive assistant to Steven J. Hadley (Assistant to the President for National Security Affairs), Paul Haenle's files contain a vast amount of Steven J. Hadley's materials.

It should be noted that many of the documents listed here may have been closed due to National Security classification and/or exemptions of the Freedom of Information Act.

System of Arrangement

The materials in FOIA 2014-0515-F-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Staff Member Office Files.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.
