Scope and Content

The materials in FOIA 2014-0106-F[1] are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2014-0106-F[1] contains materials related to correspondence sent to President George W. Bush related to the Iraq War between October 8, 2002 and January 19, 2009.

This FOIA primarily contains correspondence sent to and from the White House related to the war in Iraq. Most of the incoming letters and printed emails were addressed to President George W. Bush, although some were addressed to First Lady Laura Bush, or to both. The outgoing materials include drafts of letters, White House forms for gifts received or photo requests, and internal White House correspondence related to the preparation of reply letters.

System of Arrangement

The materials in FOIA 2014-0106-F[1] are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas - White House Office of Records Management Subject Files and Staff Member Office Files.

WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at www.georgewbushlibrary.smu.edu.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The following is a list of documents and folders processed in response to FOIA 2014-0106-F[1]:

Please note that a * indicates that the collection or folder is entirely processed and open. A more detailed description of the material is available in the finding aid for that office or category.
