CARE AND CONCERN FOR

## THE ENVIRONMENT

Wolf Creek Elementary School in Oklahoma, USA, has been growing local medicinal plants.

Richelieu Valley Regional High School in Québec, Canada, established a bird sanctuary and garden.

CARE AND CONCERN FOR

## ANIMALS

Dramaworks for Change in Kuwait developed a creative play about habitat destruction caused by human activities.

Little Saints Day Care & Preschool in Illinois, USA, takes care of squirrel and bird feeders all around their school.

CARE AND CONCERN FOR

## THE COMMUNITY

Rwere Primary School in Uganda has started a School Health Education Project.

Roots & Shoots-Tanzania has learned about North America by corresponding with their *Partnerships in Understanding* group.

Roots creep underground everywhere  
and make a firm foundation.

Shoots seem very weak, but to reach the  
light they can break open brick walls.

Imagine that the brick walls are all the  
problems we have inflicted on our planet.

Hundreds and thousands of roots  
and shoots, hundreds and thousands  
of young people around the  
world, can break through these walls.

You CAN change the world.

## WHAT IS ROOTS & SHOOTS?

Roots & Shoots is the Jane Goodall Institute's environmental and humanitarian program for youth (preschool to university). Our mission is to foster respect and compassion for all living things, to promote understanding of all cultures and beliefs and to inspire each individual to take action to make the world a better place for animals, the environment and the human community.

## HISTORY OF THE ROOTS & SHOOTS PROGRAM

Dr. Jane Goodall believes that the future is in the hands of the world's young people. With this in mind, Roots & Shoots was founded in 1991 in Tanzania, East Africa. In only a few years, the program has grown dramatically. Roots & Shoots groups are now found in all U.S. states and in over 50 countries throughout the world.

## GOALS OF ROOTS & SHOOTS

- To implement positive change through active learning about, caring for and interacting with the environment.
- To demonstrate care and concern for all animals.
- To enhance understanding between individuals of different cultures, ethnic groups, religions, socio-economic levels and nations through our global communication network.
- To help young people develop self-respect, confidence in themselves and hope for the future.

Every individual matters  
Every individual has a  
role to play  
Every individual makes a  
difference
