#### **Scope and Content**

The materials in FOIA 2014-0454-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2014-0454-F requested materials related to President George W. Bush's statement between 01/01/2001 and 12/31/2002 that during the campaign he said he would only run budget deficits during times of war, recession, or national emergency.

This FOIA primarily contains copies of a letter from Karl Rove to Al Hunt regarding President George W. Bush's lack of comments regarding service and a collection of printed news clips relating to service from [whitehouse.gov](http://whitehouse.gov). Electronic records consist of articles; transcripts,

excerpts, website versions, and press releases of speeches, press availabilities, and interviews; and research concerning the statement that President George W. Bush said during the campaign in Chicago that he would only run budget deficits during times of war, recession, or national emergency.

### **System of Arrangement**

The materials in FOIA 2014-0454-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Office of Records Management (WHORM) Subject Files and George W. Bush Presidential Electronic Records.

WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at [www.georgewbushlibrary.smu.edu](http://www.georgewbushlibrary.smu.edu)

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.

The following is a list of documents and folders, as well as a manifest of electronic records, processed in response to FOIA 2014-0454-F:
