Scope and Content

The materials in FOIA 2015-0036-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2015-0036-F contains materials related to Billy Graham.

This FOIA primarily contains briefing papers, schedules, routing memorandums, routine correspondence, vetting reports, and webpage printouts. The bulk of the material is block and narrative schedules of President George W. Bush as well as briefing materials regarding events on those schedules. Included are correspondence and briefing materials related to a Billy Graham Evangelical Association tribute to Billy Graham, correspondence related to the Hearing Foundation's honoring Billy Graham, and correspondence related to a possible Billy Graham Movie Night/Video Premiere at the White House.

System of Arrangement

The materials in FOIA 2015-0036-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Office of Records Management Subject Files and the Staff Member Office Files

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at www.georgewbushlibrary.smu.edu
