Scope and Content

FOIA 2016-0419-F requested materials related to the Presidential Daily Diary for September 14-15, 2005.

This FOIA primarily contains the daily schedule of President George W. Bush as compiled in the Presidential Daily Diary, including appendices, for September 14-15, 2005.

System of Arrangement

The materials in FOIA 2016-0419-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Staff Member and Office Files.

Staff Member and Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member and Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.
