

## **Faith-Based and Community Initiatives, Office of**

### **Kristin Henderson**

**Position:** Deputy Associate Director

**Date Ranges:** 2001-2009 (bulk 2007-2009)

**Extent and Forms of Material:** 19 linear feet, 3 linear inches

**Abstract:** This material contains information concerning OFBCI (Office of Faith-Based and Community Initiatives) initiatives during the latter part of the administration including Compassion in Action Roundtables, OFBCI conferences, reports, and communications with the public.

**Repository:** George W. Bush Presidential Library, National Archives and Records Administration, Dallas, TX [gwbush.library@nara.gov](mailto:gwbush.library@nara.gov) (214)346-1557

**Access:** Access to Bush Presidential Records is governed by the Freedom of Information Act (FOIA) (5 USC 552 as amended) and the Presidential Records Act (PRA) (44 USC 22) and therefore records may be restricted in whole or part in accordance with legal exemptions.

**Copyright:** Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

**Custodial History:** Official records of George W. Bush's presidency are housed at the George W. Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

**Processing Note:** Staff archivists, 2013-2015.

**Preferred Citation:** Type of document; names of sender and recipient, or title of document; date; folder title or White House Office of Records Management Subject Code and case number; box number; Collection Title and series/subseries, George W. Bush Presidential Library.

**Biographical History:** Kristin Henderson was a Deputy Associate Director from May 2007 until January 2009 in the White House OFBCI (Office of Faith-Based and Community Initiatives). While working at the White House, Mrs. Henderson updated the OFBCI website, compiled and edited OFBCI reports, participated in the Compassion in Action Roundtables, and assisted in other OFBCI conferences. Her material also contains records from other OFBCI staff members that were retired by Mrs. Henderson at the end of the administration.

Kristin Henderson attended Patrick Henry College. Prior to her work at the White House, she was a legislative assistant for the U.S. House of Representatives.

**Scope and Content Note:** This series is divided into 15 subseries.

General Files contains reports, publications, agendas, fact sheets, correspondence and drafts thereof. These materials consist of newsletters, conference information and packets, reports and publications, memoranda and drafts thereof, contact lists, and presentations. Many of these materials relate to OFBCI conferences and Compassion in Action Roundtables, including travel authorizations and receipts. In addition, there are grants catalogs, grant award charts by state, state liaison contact lists, work plans, and Federal Agency CFBCI (Center for Faith-Based and Community Initiatives) reports. Correspondence includes thank you letters to OFBCI, congratulatory letters from George W. Bush, and background materials on organizations sent to OFBCI.

Outreach Organization Contact Files consists of correspondence sent in to the White House from organizations. This material was retired by Kristin Henderson, but used by Jennifer Sullivan and it contains notes and responses from many staff members within the OFBCI office.

Correspondence includes inquiries concerning grant opportunities, scheduling requests for staff and the President, invitations to events, requests for Presidential Messages, requests for information about OFBCI and the initiatives, and general informational materials about organizations.

Outreach Conference Files contains background materials in preparation for OFBCI national and regional conferences, including conference documents such as handouts, packets, agendas, hotel maps, information sheets, invitations, talking points, and presentations, statements of work, budgets, surveys, and drafts thereof. Also included are travel information, organization brochures and reports, articles, schedules, OFBCI correspondence with outside organizations, conference vendors, and contractors, and correspondence within OFBCI and with CFBCIs. This material was retired by Kristin Henderson, but used by Jennifer Sullivan and other OFBCI staff members.

Outreach General Files consist of administrative records such as receipts and travel documents, publications, printed material, presentations and handouts for conferences, scheduling requests, newsletters, news articles, grant award information spreadsheets, proofs of publications for printing, agendas, and material related to the US Interagency Council on Homelessness.

Outreach Personnel Files contain correspondence from private individuals, resumes, printed material, and administrative forms and documents.

Outreach State Contact Files consist of correspondence from individuals and charitable organizations and printed material regarding charitable organizations.

Dungeon Files includes agency reports from their own FBCI offices, data collection surveys, academic papers, news articles, and scheduling forms. The subseries also includes letters from the public in support of legislation related to faith-based and community initiatives; charitable foundation literature, annual reports, and success stories; conference planning documents;

conference participant handouts; vetting memoranda; and manuals and guides for OFBCI interns, Intranet Quorum correspondence management system, and the Office of Management and Budget. Topics present include CARE (Charity Aid, Recovery, and Empowerment) Act, CCF (Compassion Capital Fund), Charitable Choice, CNCS (Corporation for National and Community Service), and agency studies and audits on federal funding for charities.

This collection is only partially processed and some boxes may be unavailable for research.
