Do you want just Fort Worth, Texas on the inside address, so we don't put the "business address" on the letter, or is it okay the way the address is? thanks

That's interesting--I don't know who sent the letter!

Their 40th anniversary was actually Feb. 23. They are celebrating 40 years of ministry and marriage this year, and I'm sure they would be tickled to receive a letter from the President acknowledging this milestone. We're having an anniversary conference June 12-14 in North Dallas.

Thanks,
Carol
