That would be great if you do not mind. But I do not want to request anything that is unusual.

Brett,

Below are the RSVPs. The only reporters I recognize are Lewis and Lane. If you want to designate this event as "off the record," I think it's a good idea to tell Lewis and Lane that this afternoon, before they show up tonight. I don't know either of them, but if you would prefer not to call them, I would be happy to do so if you want the event to be off the record. Let me know.

Grant

Thanks, Amy. Brett, feel free to give me a call today (or we can talk tonight) about the reporter issue. I did not know any were coming. And I am more than happy to designate your talk as "off the record" -- and I won't even kid you about asking me to take that phrase off the flyer. :)

Brett, it's [P6/b6] -- I know you've been there before but directions are attached just in case. I'd be happy to run any pesky reporters out of the house for you -- just say the word. See you tonight.

Great. What is address. I will speak on a few judge topics briefly and the take q and a until I get run out of the house. I gather some reporters are coming. Off the record still? I will speak as I otherwise would but do not want a slew of stories (or any) based solely on this appearance. Thanks and see you tomorrow.

Just a reminder about your judges' talk at Amy and Casey's house tomorrow night at 7pm. 26 people have RSVPd. We're looking forward to it. Let me know if you have any questions (and here are my numbers if you need to reach me btw now and then)
